Pending Audit Tax Deposit Voucher for Corporations

General Information

The Franchise Tax Board (FTB) receives tax deposits from corporations who previously filed and expect to pay a future tax liability for a specific taxable year. Normally, corporations make tax deposits to stop the accrual of underpayment interest. **The FTB will consider the corporation's payment as a tax deposit only if the corporation already filed a return for that taxable year.** For more information, go to our website at ftb.ca.gov and search for **FTB Notice 2005-6**.

A Purpose

Use form FTB 3577 to make a **tax deposit** payment to satisfy a future tax liability for previously filed returns. See General Information D, When to File, for more information. Use this voucher with a check or money order payment only.

If there is a final balance due on the corporation's account, the FTB will first apply the payment to satisfy any final balance due for the same taxable year. Any remaining amount will be held as a tax deposit.

B Electronic Funds Transfer (EFT)

If the corporation is required to make payments through EFT, the corporation must also remit the tax deposit payment through EFT. Use EFT tax type code 02512. For Water's-Edge filers, use EFT tax type code 03572. Do **not** mail the tax deposit voucher.
